

BUCKET BOYS
CD "LOVE'N'HATE"
(BOGEYMAN MUSIC, BM-1419)

"more great sounds of desert and sunset"

The latest CD of the **BUCKET BOYS**, published in autumn 2019, is the one and only construction box to build all kind of stories dealing with love and hate – songs between yesterday and tomorrow, nice and naughty, sick & sicker.

If you're looking for an unrealistic illustration of **LOVE'N'HATE**, you'll find all you need in this sound from Rock'n'Roll to Country, from Roots to Desert-Rock.

Since 1995 on the road, the **BUCKET BOYS** published already 14 albums while playing hundreds of concerts live and on air.

Their songs are inspired by a different kind of backyard-romance and desire, tequila-driven fantasies – and even all imaginable varieties of love and hate.
